Upscale Mobile Entertainment

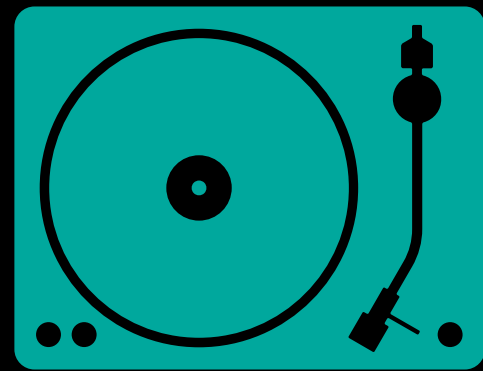

INTRODUCTION

IamMrC is an Upscale Mobile Entertainment company. Not only are we your premier destination for your wedding needs, we also provide services for cooperate events, sound productions, birthdays, community events, lighting and photography.

Our mission is to exceed your expectation. We can take an ordinary event and turn it into an extraordinary event.

SERVICES

We have four of the dopest DJ's in the Bay Area. If your musical taste is Rap, R&B, Jazz, Blues, Reggae or even Top 40, we have what you need.

Why haul a bunch of sound equipment around when we can do it for you. No matter the size of your band, we will have you sounding at your best.

Let us capture new fun memories for you to enjoy with family and friends. Our photo booth props will have you acting silly all night long.

LIGHTS & MONOGRAM

Uplights adds an elegant feel to any event. We use battery powered uplights to put in places where wall sockets are not. Use a monogram to brand your event or company.
